

Spectator Policy

Date in effect: August, 2017

Last Updated: June, 2020

This Spectator Policy is to apply to the Rising Star, StarSkate, and Competitive Program.

Spectators, including parents/guardians of skaters, are encouraged to watch skaters from the designated viewing areas. Spectators are not allowed to stand on the edge of the ice or enter into the player boxes at any time.

Parents/guardians are asked to refrain from offering skating/coaching instruction to the skaters during practices. Skaters and coaches find this distracting, and your instruction may conflict with the coach's, thus confusing the skater. If you have concerns about your child's practice habits or skill development you should contact your child's base coach to arrange a time to discuss.

Coaches may give permission or invite a parent/ guardian to the rink side under certain circumstances when additional support for a skater is required.
